An eye-catching line and exceptional performance for this beautiful Mangusta 108 available for charter in Sardinia .

DESCRIPTION:

The Mangusta 108 is one of the fastest and most sophisticated luxury yachts in its category: with its 2750 hp MTU engines it reaches a maximum speed of 38 knots. This is a 2005 boat that underwent a complete refit in 2011 at the Overmarine production shipyard and is now in excellent condition.

The Mangusta 108 has four guest cabins divided as follows: the full-beam owner's cabin towards the stern with large ensuite bathroom with Jacuzzi, Turkish bath and gym, a twin cabin (with Pullman bed) with bathroom, and two double cabins towards the bow, each with its own bathroom.

Oak and Wenghe' are the wood essences used which, delimiting comfortable chaise longues and sofas, offer an intimate and elegant atmosphere to the large internal living room.
