MANGUSTA 92

SARDINIA and NAPLES AREA

The Mangusta 92 is one of the most appreciated yachts in the charter market and therefore one of the most sought after. Ours is a 2004 yacht that will be completely refitted during the 2024/2025 winter season.

The Mangusta 92 is equipped with 2 MTU 2000 hp engines which allow it to reach a maximum speed of 35 knots and a cruising speed of 32 knots.

The stern, with its rounded lines, is characterised by the two classic staircases, an unmistakable sign of recognition of the Overmarine shipyard.

In the cockpit we find a large sundeck, shaded when necessary by two elegant white umbrellas, which transforms into a sofa when the central area is used for lunch or dinner outside. The table is further equipped with two other sofas. The fabrics, colors and materials used on the outside are the classic biscuit color, white and teak which make everything very fascinating.
