SARNICO MAXIM 55

The Maxim 55, built by the Sarnico shipyard between the late 1990s and early 2000s, is an elegant motor yacht approximately 17 meters in length with a fiberglass hull. It combines high-level performance, yacht-grade comfort, and well-designed spaces for enjoyable and fast cruising. It features three cabins (a master and two guest cabins) and three bathrooms, offering a total of six berths and generous convivial spaces. The interior dinette includes a separate galley, while the cockpit is equipped with an outdoor kitchen and barbecue, perfect for open-air entertaining.
